

Standard Mobile Whiteboards

These double-sided whiteboards can be either Magnetic (Coated Steel) or (MFC) Non-Magnetic surfaces. This mobile frame allows the board to rotate horizontally on its axis depending on the users requirements. The frames are made from lightweight Aluminium for easy movement. The product comes flat packed with easy assembly instructions.

- Lightweight Aluminium Frame
- Whiteboard Rotates Horizontally
- All Whiteboards are double sided and are landscape
- Magnetic or Non-Magnetic Whiteboard
- Non-magnetic whiteboards have a 25mm feint grid on one side

Dimensions (sizes in mm)	Magnetic Whiteboard		Non-Magnetic Whiteboard	
	Code	Price	Code	Price
1200 x 900	687430	£110.00	686430	£95.00
1200 x 1200	687440	£125.00	686440	£105.00
1500 x 1200	687540	£140.00	686540	£110.00
